THRIFT SHOP DONATIONS

Your gently used clothing, knickknacks, and small household items can make a difference for your neighbors in need. Donations to the Needham Community Council are tax-deductible to the extent allowed by law and are either sold in our thrift shop or re-donated to others in need.

Our thrift shop is a fundraiser which helps support our other programs; including our food pantry, transportation programs, ESL tutoring, medical equipment loan closet, etc.

Your donated items can be dropped off in our donation site hallway where tax-exempt forms are available on a clipboard. ***If possible, please try to avoid dropping off your donations when our store is open on Wednesdays and Fridays.***

Clothing and household goods should be in good condition and working order...***would you give it to your neighbor? If so, please donate it to us.***

There are goods we cannot accept due to space limitations. Please [click here](#) to go to the thrift shop page on our website. Call us if you are unsure of something you wish to donate. We can suggest other agencies if we cannot accept your items.
